

blink your eyes

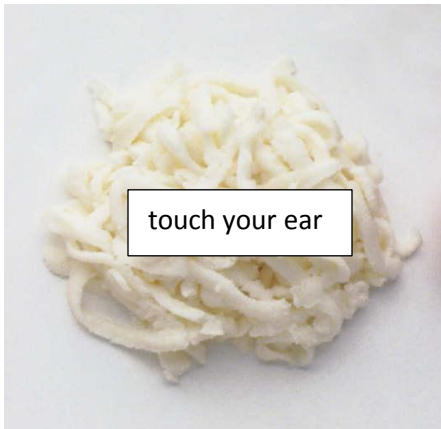

say your name

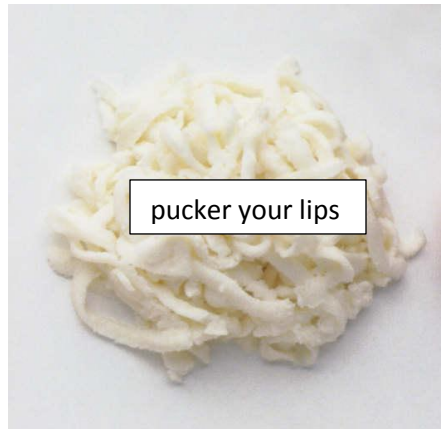

touch your toes

clap your hands

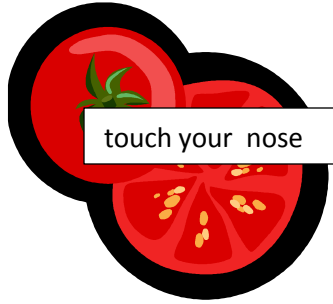

touch your ear

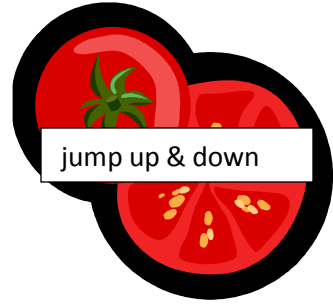

pucker your lips

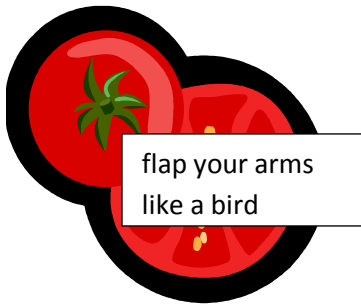

hop on one foot

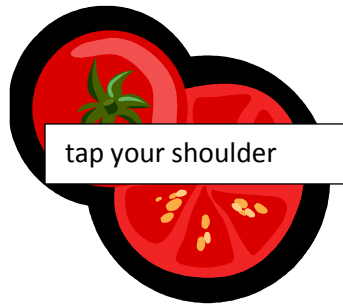

touch your nose

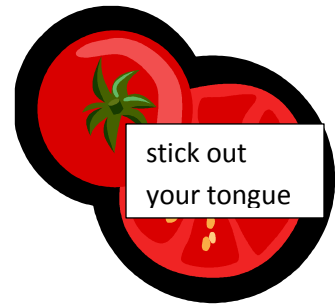

jump up & down

flap your arms
like a bird

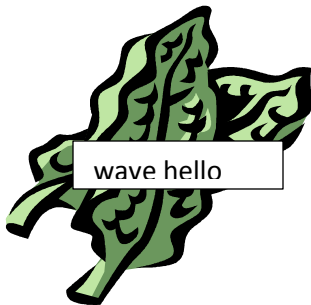

tap your shoulder

stick out
your tongue

cluck like a
chicken

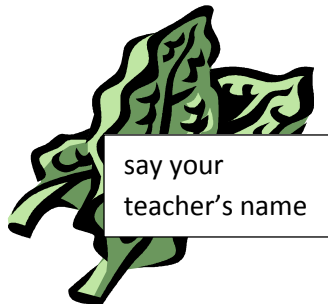

wave hello

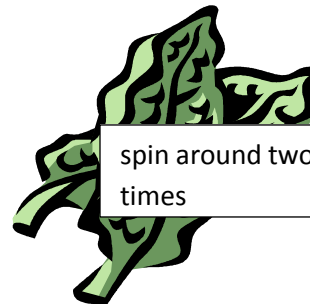

clap three times

snap your
fingers

say your
teacher's name

spin around two
times

cover your eyes

sit in your chair

march in place

say your age

reach your hands up high

make a big smile
